TOURNAMENT STARTS THE WEEK OF APRIL 13TH OR THE 20TH @ MONROE FAIGROUNDS
***DEPENDING ON SCHOOL CLOSURES OR MAKE UP DAYS ***

East Union Middle School has asked to join the league, with the schedules already done, each school would have to add a second weekday game to their schedule, but this would happen only once. If the other schools decide to allow them to join, I will notify all parents of the extra game and location. In the past we have had two games in one week, no big deal for the players, as long as the games are not back to back days. I will keep all of you posted on this issue.
